6. *Debtors' Stipulations.* Without prejudice to the rights of any other party (but subject to the limitations thereon contained in paragraphs 22 and 26 below), the Debtors admit, for themselves but not their estates, stipulate and agree that:

(a) (i) as of the Petition Date, the Borrower and the Guarantors were indebted and liable to the Pre-Petition First Lien Lenders, without defense, counterclaim or offset of any kind, in an aggregate principal amount not less than \$172,697,500.00 in respect of revolving and term loans made and in an aggregate principal amount not less than \$3,470,611.53 in respect of letters of credit issued and outstanding, in each case, by

the Pre-Petition First Lien Lenders pursuant to, and in accordance with the terms of, the Pre-Petition First Lien Facility, plus, in each case, interest thereon and fees, expenses (including any attorneys', accountants', appraisers' and financial advisors' fees that are chargeable or reimbursable under the Pre-Petition First Lien Facility), charges and other obligations incurred in connection therewith as provided in the Pre-Petition First Lien Facility (collectively, the "**Pre-Petition First Lien Debt**"), (ii) the Pre-Petition First Lien Debt constitutes the legal, valid and binding obligation of the Debtors, enforceable in accordance with its terms (other than in respect of the stay of enforcement arising from section 362 of the Bankruptcy Code) and (iii) no portion of the Pre-Petition First Lien Debt is subject to avoidance, recharacterization, recovery or subordination pursuant to the Bankruptcy Code or applicable nonbankruptcy law; and

(b) the liens and security interests granted to the Pre-Petition First Lien Agent pursuant to and in connection with the Pre-Petition First Lien Facility (including, without limitation, all security agreements, pledge agreements, mortgages, deeds of trust and other security documents executed by any of the Debtors in favor of the Pre-Petition First Lien Agent, for its benefit and for the benefit of the Pre-Petition First Lien Lenders) (i) are valid, binding, perfected, enforceable, first-priority liens and security interests in the personal and real property (excluding, to the extent applicable, any of the nonresidential real property leaseholds and/or subleaseholds listed on Schedule A hereto) described in the Pre-Petition First Lien Facility (the "**Pre-Petition Collateral**"); (ii) are not subject to avoidance, recharacterization or subordination pursuant to the Bankruptcy Code or applicable nonbankruptcy law; (iii) secure, without limitation, the Debtors' indemnity obligations to the Pre-Petition First Lien Agent and the Pre-Petition First Lien

Lenders to the extent provided under the Pre-Petition First Lien Credit Facility; and (iv) are subject and subordinate only to (A) the DIP Liens (as defined below), (B) the Carve-Out (as defined below) to which the DIP Liens are subject and (C) any valid, perfected and unavoidable liens permitted under the Pre-Petition First Lien Facility to the extent such permitted liens are senior to or pari passu with the liens of the Pre-Petition First Lien Agent on the Pre-Petition Collateral (and such liens are and shall be senior to the Pre-Petition Second Lien Agent liens on the Pre-Petition Collateral and the Junior Adequate Protection Liens (as defined below)).

7. *Findings Regarding the Financing.*

(a) Good cause has been shown for the entry of this Final Order.

(b) The Debtors need to obtain the full amount of the Financing and use Cash Collateral (as defined below) in order to permit, among other things, the orderly continuation of the operation of their businesses, to maintain business relationships with vendors, suppliers and customers, to make payroll, to make capital expenditures and to satisfy other working capital and operational needs. The access by the Debtors to sufficient working capital and liquidity through the use of Cash Collateral, incurrence of new indebtedness for borrowed money and other financial accommodations is vital to the preservation and maintenance of the going concern values of the Debtors and to a successful reorganization of the Debtors.

(c) The Debtors are unable to obtain financing on more favorable terms from sources other than the DIP Lenders under the DIP Documents and are unable to obtain adequate unsecured credit allowable under section 503(b)(1) of the Bankruptcy Code as an administrative expense. The Debtors are also unable to obtain secured credit

allowable under sections 364(c)(1), 364(c)(2) and 364(c)(3) of the Bankruptcy Code without the Debtors granting to the DIP Agent and the DIP Lenders, subject to the Carve-Out as provided for herein, the DIP Liens and the Superpriority Claims (as defined below) under the terms and conditions set forth in the Interim Order and this Final Order and in the DIP Documents.

(d) The terms of the Financing and the use of Cash Collateral are fair and reasonable, reflect the Debtors' exercise of prudent business judgment consistent with their fiduciary duties and constitute reasonably equivalent value and fair consideration.

(e) The Financing has been negotiated in good faith and at arm's length among the Debtors, the DIP Agent and the DIP Lenders, and all of the Debtors' obligations and indebtedness arising under, in respect of or in connection with the Financing and the DIP Documents and the rights granted in the Interim Order and this Final Order, including, without limitation, (i) all loans made to the Debtors pursuant to the credit agreement (the "**DIP Credit Agreement**") and guaranteed by the Debtors pursuant to the guaranty, substantially in the forms attached as an exhibit to the DIP Credit Agreement and (ii) any other Senior Credit Obligations (as defined in the DIP Credit Agreement), in each case owing to the DIP Agent, any DIP Lender or any of their respective banking affiliates (all of the foregoing in clauses (i) and (ii) collectively, the "**DIP Obligations**"), shall be deemed to have been extended by the DIP Agent and the DIP Lenders and their affiliates in good faith, as that term is used in section 364(e) of the Bankruptcy Code and in express reliance upon the protections offered by section 364(e) of the Bankruptcy Code, and shall be entitled to the full protection of section 364(e) of

the Bankruptcy Code with respect to the Financing in the event that this Final Order or any provision hereof is vacated, reversed or modified, on appeal or otherwise.

(f) The Debtors' request for entry of this Final Order complies with Bankruptcy Rule 4001(b)(2) and (c)(2) and Local Rule 4001-2(c).

(g) Consummation of the Financing and the use of Cash Collateral in accordance with this Final Order and the DIP Documents is in the best interest of the Debtors' estates.

8. *Authorization of the Financing and the DIP Documents.*

(a) The Borrower was by the Interim Order and hereby is authorized to borrow money pursuant to the DIP Credit Agreement, and the Guarantors were by the Interim Order and hereby are authorized to guaranty such borrowings and the Borrower's obligations with respect to such borrowings up to an aggregate principal or face amount of \$35,000,000 (which amount is inclusive of the \$16,500,000 borrowing authorized by, and drawn shortly after entry of, the Interim Order), plus interest, fees and other expenses and amounts provided for in the DIP Documents, in accordance with the terms of this Final Order and the DIP Documents, which shall be used for all purposes permitted under the DIP Documents, including, without limitation, to provide working capital for the Borrower and the Guarantors, for other general corporate purposes and to pay interest, fees and expenses in accordance with this Final Order and the DIP Documents.

(b) In furtherance of the foregoing and without further approval of this Court, each Debtor was by the Interim Order and hereby is authorized and directed, consistent with the terms of this Final Order, to perform all acts, to make, execute and deliver all instruments and documents (including, without limitation, the execution or

recordation of security agreements, mortgages and financing statements), and to pay all fees, that may be reasonably required or necessary for the Debtors' performance of their obligations under the Financing, including, without limitation:

(i) the execution, delivery and performance of the Loan Documents (as defined in the DIP Credit Agreement) and any exhibits attached thereto, including, without limitation, the DIP Credit Agreement, the Collateral Documents (as defined in the DIP Credit Agreement), all related documents and any mortgages contemplated thereby (collectively, and together with the letter agreements referred to in clause (iii) below, the "**DIP Documents**");

(ii) the execution, delivery and performance of one or more amendments to the DIP Credit Agreement for, among other things, the purpose of adding additional financial institutions as DIP Lenders and reallocating the commitments for the Financing among the DIP Lenders, in each case in such form as the Debtors, the DIP Agent and the DIP Lenders may agree (it being understood that no further approval of the Court shall be required for amendments to the DIP Credit Agreement that do not shorten the maturity of the extensions of credit thereunder or increase the commitments or the rate of interest payable thereunder);

(iii) the non-refundable payment to the DIP Agent or the DIP Lenders, as the case may be, of the fees referred to in the DIP Credit Agreement (and in the separate letter agreements between them in connection with the Financing) and reasonable costs and expenses as may be due from time to time, including, without limitation, fees and expenses of the professionals retained as provided for in the DIP Documents without the necessity of filing retention motions or fee applications; and

(iv) the performance of all other acts required under or in connection with the DIP Documents and consistent with the terms of this Final Order.

(c) Upon execution and delivery of the DIP Documents, the DIP Documents constituted valid and binding obligations of the Debtors, enforceable against each Debtor party thereto in accordance with their terms and this Final Order. No obligation, payment, transfer or grant of security under the DIP Documents or this Final Order shall be stayed, restrained, voidable, or recoverable under the Bankruptcy Code or under any applicable law (including, without limitation, under section 502(d) of the Bankruptcy Code), or subject to any defense, reduction, setoff, recoupment or counterclaim, except as otherwise provided in this Final Order.

(d) The Pre-Prepetition Second Lien Agent and the Pre-Petition Second Lien Lenders are deemed to have consented to the Debtors' execution of the DIP Documents and the DIP Facility provided thereunder pursuant to section 6.1(a) of the Intercreditor Agreement (as defined below).

9. *Superpriority Claims.*

(a) Pursuant to section 364(c)(1) of the Bankruptcy Code, all of the DIP Obligations shall constitute allowed claims against the Debtors with priority over any and all administrative expenses, diminution claims (including all Adequate Protection Obligations (as defined below)) and all other claims against the Debtors, now existing or hereafter arising, of any kind whatsoever, including, without limitation, all administrative expenses of the kind specified in sections 503(b) and 507(b) of the Bankruptcy Code, and over any and all administrative expenses or other claims arising under sections 105, 326, 328, 330, 331, 503(b), 506(c), 507(a), 507(b), 726, 1113 or 1114

of the Bankruptcy Code (the “**Superpriority Claims**”), whether or not such expenses or claims may become secured by a judgment lien or other non-consensual lien, levy or attachment, which allowed claims shall be payable from and have recourse to all pre- and post-petition property of the Debtors and all proceeds thereof, consistent with the terms of this Final Order, subject only to the Carve-Out to the extent specifically provided for herein.

(b) For purposes hereof, the “**Carve-Out**” means (i) all fees required to be paid to the Clerk of the Bankruptcy Court and to the Office of the United States Trustee under section 1930(a) of title 28 of the United States Code, (ii) all reasonable fees and expenses incurred by a trustee under section 726(b) of the Bankruptcy Code not to exceed \$100,000 and (iii) (A) at any time after the first business day after the occurrence and during the continuance of an Event of Default (as defined in the DIP Credit Agreement) and delivery of a notice by the DIP Agent stating that such notice constitutes a “Carve Out Notice” (a “**Carve-Out Notice**”) to (w) the United States Trustee for the Southern District of New York, (x) Kirkland & Ellis LLP, 601 Lexington Avenue, New York, New York 10022 (Attention: Jason Kanner, Esq. and Edward Sassower, Esq.), (y) Davis Polk & Wardwell LLP, 450 Lexington Avenue, New York, New York 10017 (Attention: Jinsoo Kim, Esq. and Timothy Graulich, Esq.) and (z) Otterbourg, Steindler, Houston & Rosen, P.C., 230 Park Avenue, New York, New York 10169 (Attn: David Posner, Esq.), to the extent allowed at any time, whether before or after delivery of a Carve-Out Notice, whether by interim order, procedural order or otherwise, [all professional fees, costs and expenses incurred or accrued by persons or firms retained by the Debtors and any statutory committees appointed in the chapter 11 cases (each a

“**Committee**”) (but excluding fees and expenses of third party professionals employed by such Committees’ members) and allowed by the Bankruptcy Court at any time (collectively, the “**Professional Fees**”)] in an aggregate amount not exceeding \$4,000,000 (the “**Carve-Out Cap**”), plus all (B) unpaid Professional Fees allowed by the Bankruptcy Court at any time that were incurred on or prior to the day immediately following the business day after delivery of the Carve-Out Notice; *provided, however*, that (x) the dollar limitation in the clause 9(b)(iii)(A) on fees and expenses shall neither be reduced nor increased by the amount of any compensation or reimbursement of expenses incurred, awarded or paid prior to the delivery of a Carve-Out Notice or by any fees, expenses, indemnities or other amounts paid to the DIP Agent or any DIP Lender or such party’s respective attorneys and agents under the DIP Credit Agreement or otherwise and (y) immediately upon delivery of a Carve-Out Notice or upon the full and indefeasible payment of all DIP Obligations and termination of all Commitments in their entirety following any sale of Pre-Petition Collateral conducted pursuant to section 363 of the Bankruptcy Code (regardless of whether a Carve-Out Notice has been delivered), the Debtors shall be required to transfer from their concentration account to a segregated account (the “**Carve-Out Account**”) not subject to the control of the DIP Agent an amount equal to the Carve-Out Cap, which segregated account funds shall be available only to satisfy obligations benefitting from the Carve-Out, and the DIP Agent and the DIP Lenders (1) shall not sweep or foreclose on cash of the Debtors necessary to fund the Carve-Out Account and (2) shall have a security interest in any residual interest in the Carve-Out Account available following satisfaction in full of all obligations benefitting from the Carve-Out. Nothing herein shall be construed to impair the ability of any party

to object to any of the fees, expenses, reimbursement or compensation described in clauses (i), (ii) and (iii) above. Notwithstanding anything to the contrary in this Final Order, all liens and claims granted pursuant to this Final Order, as well as all liens and claims granted pursuant to any Pre-Petition Facility, shall be subject to the Carve-Out.

10. *DIP Liens.*

As security for the DIP Obligations, effective and perfected upon the date of entry of the Interim Order and without the necessity of the execution, recordation of filings by the Debtors of mortgages, security agreements, control agreements, pledge agreements, financing statements or other similar documents, or the possession or control by the DIP Agent of, or over, any Collateral (as defined below), and notwithstanding any federal, state, local or other laws, rules or regulations purporting to impose any notice, filing, due diligence or other requirement with respect to the granting or perfecting of such liens, the following security interests and liens were by the Interim Order and hereby are granted to the DIP Agent for its own benefit and the benefit of the DIP Lenders (all property identified in clauses (a), (b) and (c) below, including, without limitation the Pre-Petition Collateral, being collectively referred to as the “**Collateral**” (*provided, however,* notwithstanding anything to contrary in the Final Order, that, (i) solely with respect to the nonresidential real property leaseholds and/or subleaseholds listed on Schedule A hereto, the Collateral shall not include the Debtors’ interests in such leaseholds and subleaseholds, to the extent prohibited by such leases, but shall include any proceeds thereof, (ii) the Collateral shall be limited to 65% of the voting capital stock of any of the Borrower’s first tier foreign subsidiaries and (iii) none of the DIP Agent and the DIP Lenders, the Pre-Petition First Lien Agent and the Pre-Petition First Lien Lenders, or the

Pre-Petition Second Lien Agent and the Pre-Petition Second Lien Lenders, respectively, shall be entitled to a lien on or security interest in any Avoidance Proceeds (as defined below) recovered from such parties nor shall any such parties be entitled to recourse to property or proceeds of property resulting from any Avoidance Action (as defined below) against such parties), subject only in the event of the occurrence and during the continuance of an Event of Default, to the payment of the Carve-Out (all such liens and security interests granted to the DIP Agent, for its benefit and for the benefit of the DIP Lenders and the Senior Credit Parties (as defined in the DIP Credit Agreement) pursuant to this Final Order and the DIP Documents, the “**DIP Liens**”):

(a) First Lien on Cash Balances and Unencumbered Property.

Pursuant to section 364(c)(2) of the Bankruptcy Code, valid, binding, continuing, enforceable, fully-perfected first priority senior security interests in and liens upon all pre- and post-petition property of the Debtors, whether existing on the Petition Date or thereafter acquired, that, on or as of the Petition Date, are not subject to valid, perfected and non-avoidable liens (collectively, “**Unencumbered Property**”), including, without limitation, all cash and cash collateral of the Debtors (whether maintained with the DIP Agent or otherwise) and any investment of such cash and cash collateral, inventory, accounts receivable, other rights to payment whether arising before or after the Petition Date, contracts, properties, plants, equipment, general intangibles, documents, instruments, interests in leaseholds, real properties, patents, copyrights, trademarks, trade names, other intellectual property, capital stock of subsidiaries, and the proceeds of all the foregoing. Unencumbered Property shall exclude the Debtors’ claims and causes of action under sections 502(d), 544, 545, 547, 548, 549 and 550 of the Bankruptcy Code, or

any other avoidance actions under the Bankruptcy Code (collectively, to the extent provided above, “**Avoidance Actions**”), but shall include any proceeds or property recovered, unencumbered or otherwise the subject of successful Avoidance Actions, whether by judgment, settlement or otherwise (“**Avoidance Proceeds**”).

(b) Liens Priming Pre-Petition Lenders’ Liens. Pursuant to section 364(d)(1) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully-perfected first priority senior priming security interest in and lien upon all pre- and post-petition property of the Debtors (including, without limitation, cash collateral, inventory, accounts receivable, other rights to payment whether arising before or after the Petition Date, contracts, properties, plants, equipment, general intangibles, documents, instruments, interests in leaseholds, real properties, patents, copyrights, trademarks, trade names, other intellectual property, capital stock of subsidiaries, and the proceeds of all the foregoing), whether now existing or hereafter acquired, that is subject to the existing liens presently held by the Pre-Petition Lenders (including in respect of issued but undrawn letters of credit). Such security interests and liens shall be senior in all respects to the interests in such property of the Pre-Petition Lenders arising from current and future liens of the Pre-Petition Lenders (including, without limitation, adequate protection liens granted hereunder), but shall not be senior to any valid, perfected and unavoidable interests of other parties arising out of liens, if any, on such property existing immediately prior to the Petition Date (for the avoidance of doubt, this does not relate to any liens that arise after, or were not perfected prior to, the Petition Date or to liens that arise after the Petition Date but purport to relate back to periods prior to the Petition Date), or to any valid, perfected and unavoidable interests in such property arising out of

liens to which the liens of the Pre-Petition Lenders become subject subsequent to the Petition Date as permitted by section 546(b) of the Bankruptcy Code.

(c) Liens Junior to Certain Other Liens. Pursuant to section 364(c)(3) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully-perfected security interest in and lien upon all pre- and post-petition property of the Debtors (other than the property described in clauses (a) or (b) of this paragraph 10, as to which the liens and security interests in favor of the DIP Agent will be as described in such clauses), whether now existing or hereafter acquired, that is subject to valid, perfected and unavoidable liens in existence immediately prior to the Petition Date (for the avoidance of doubt, this does not relate to any liens that arise after, or were not perfected prior to, the Petition Date or to liens that arise after the Petition Date but purport to relate back to periods prior to the Petition Date) or to valid and unavoidable liens in existence immediately prior to the Petition Date that are perfected subsequent to the Petition Date as permitted by section 546(b) of the Bankruptcy Code, which security interests and liens in favor of the DIP Agent are junior to such valid, perfected and unavoidable liens.

(d) Liens Senior to Certain Other Liens. Except as otherwise provided in this Final Order, the DIP Liens and the Adequate Protection Liens (as defined below) shall not be subject or subordinate to (i) any lien or security interest that is avoided and preserved for the benefit of the Debtors and their estates under section 551 of the Bankruptcy Code or (ii) any liens arising after the Petition Date, including, without limitation, any liens or security interests granted in favor of any federal, state, municipal or other governmental unit, commission, board or court for any liability of the Debtors.

(e) The Pre-Prepetition Second Lien Agent and the Pre-Petition Second Lien Lenders are deemed to have consented to the adequate protection provided to the Pre-Petition First Lien Lenders in this Final Order pursuant to section 6.1(a) of the Intercreditor Agreement.

11. *Protection of DIP Lenders' Rights.*

(a) Subject to the provisions of paragraph 21(b) of this Final Order, so long as there are any borrowings or other amounts (other than contingent indemnity obligations as to which no claim has been asserted when all other amounts have been paid) outstanding, or the DIP Lenders have any Commitment (as defined in the DIP Credit Agreement) under the DIP Credit Agreement, the Pre-Petition Agents and the Pre-Petition Lenders shall (i) have no right to and take no action to foreclose upon, or recover in connection with, the liens granted thereto pursuant to the Pre-Petition Facilities or this Final Order, or otherwise seek or exercise any enforcement rights or remedies against any Collateral or in connection with any of the Adequate Protection Liens, including, without limitation, in respect of the occurrence or continuance of any event of default (as defined in the First Lien Credit Agreement and the Second Lien Credit Agreement, respectively), except to the extent authorized by an order of this Court, (ii) be deemed to have consented to any release of Collateral authorized under the DIP Documents, (iii) not file any further financing statements, trademark filings, copyright filings, mortgages, notices of lien or similar instruments, or otherwise take any action to perfect their security interests in the Collateral unless, solely as to this clause (iii), the DIP Lenders file financing statements or other documents to perfect the liens granted pursuant to the Interim Order or this Final Order, or as may be required by applicable state law to

continue the perfection of valid and unavoidable liens or security interests as of the date of filing and (iv) deliver or cause to be delivered, at the Debtors' costs and expense (for which the Pre-Petition Lenders shall be reimbursed upon submission to the Debtors of invoices or billing statements), any termination statements, releases and/or assignments (to the extent provided for herein) in favor of the DIP Lenders or other documents necessary to effectuate and/or evidence the release, termination and/or assignment of the Adequate Protection Liens on any portion of the Collateral subject to any sale or disposition approved or arranged for by the DIP Agent; and

(b) Subject to the provisions of paragraph 20(b) of this Final Order, the automatic stay provisions of section 362 of the Bankruptcy Code are vacated and modified to the extent necessary to permit the DIP Agent and the DIP Lenders to exercise, (i) upon the occurrence of an Event of Default (as defined in the DIP Credit Agreement), and seven days' prior written notice to the Debtors (with a copy to counsel to the Creditors' Committee and to the U.S. Trustee), all rights and remedies under the DIP Documents other than those rights and remedies against the Collateral as provided in clause (ii) below and (ii) upon the occurrence and during the continuance of such an Event of Default and seven days' prior written notice to the extent provided for in the DIP Credit Agreement, all rights and remedies against the Collateral (A) provided for in the DIP Documents (including, without limitation, the right to setoff monies of the Debtors in accounts maintained with the DIP Agent or any DIP Lender) or (B) of the Collateral Agent (as defined in the First Lien Credit Agreement) provided for in the First Lien Credit Agreement. In any hearing regarding any exercise of rights or remedies, the only issue that may be raised by any party in opposition thereto shall be whether, in fact,

an Event of Default has occurred and is continuing, and the Debtors and Pre-Petition Lenders shall not be entitled to seek relief, including, without limitation, under section 105 of the Bankruptcy Code, to the extent such relief would in any way impair or restrict the rights and remedies of the DIP Agent or the DIP Lenders set forth in this Final Order or the DIP Documents. In no event shall the DIP Agent, the DIP Lenders, the Pre-Petition First Lien Agent or the Pre-Petition First Lien Lenders be subject to the equitable doctrine of “marshaling” or any similar doctrine with respect to the Collateral.

12. *Limitation on Charging Expenses Against Collateral.* Except to the extent of the Carve-Out, no expenses of administration of the Cases or any future proceeding that may result therefrom, including liquidation in bankruptcy or other proceedings under the Bankruptcy Code, shall be charged against or recovered from the Collateral pursuant to section 506(c) of the Bankruptcy Code or any similar principle of law, without the prior written consent of the DIP Agent or the Pre-Petition First Lien Agent, as the case may be, and no such consent shall be implied from any other action, inaction, or acquiescence by the DIP Agent, the DIP Lenders, the Pre-Petition First Lien Agent, the Pre-Petition First Lien Lenders, or any other party.

13. *The Cash Collateral.* To the extent any funds were on deposit with any Pre-Petition Lender as of the Petition Date, including, without limitation, all funds deposited in, or credited to, an account of any Debtor with any Pre-Petition Lender immediately prior to the filing of the Debtors’ bankruptcy petitions (the “**Petition Time**”) (regardless of whether, as of the Petition Time, such funds had been collected or made available for withdrawal by any such Debtor), such funds (the “**Deposited Funds**”) are subject to rights of setoff. By virtue of such setoff rights, the Deposited Funds are subject

to a lien in favor of such Pre-Petition Lenders pursuant to sections 506(a) and 553 of the Bankruptcy Code. The Pre-Petition First Lien Lenders are obligated, to the extent provided in the Pre-Petition First Lien Facility, to share the benefit of such liens and setoff rights with the other Pre-Petition First Lien Lenders party to such Pre-Petition First Lien Facility. Similarly, the Pre-Petition Second Lien Lenders are obligated, to the extent provided in the Intercreditor Agreement, to pay over any recovery or proceeds from such liens and setoff rights to the Pre-Petition First Lien Agent for the benefit of the Pre-Petition First Lien Lenders. Any proceeds of the Pre-Petition Collateral (including the Deposited Funds or any other funds on deposit at any of the Pre-Petition Lenders or at any other institution as of the Petition Date) are cash collateral of the Pre-Petition First Lien Lenders within the meaning of section 363(a) of the Bankruptcy Code. The Deposited Funds, together with such other cash collateral of any of the Pre-Petition Lenders within the meaning of section 363(a) of the Bankruptcy Code (including, without limitation, all proceeds of Pre-Petition Collateral), are referred to herein as “**Cash Collateral.**”

14. *Use of Cash Collateral.* The Debtors are hereby authorized, subject to the terms and conditions of the DIP Documents and this Final Order, to use all Cash Collateral of the Pre-Petition Lenders, and the Pre-Petition Lenders are directed promptly to turn over to the Debtors all Cash Collateral received or held by them; *provided* that the Pre-Petition Lenders are granted adequate protection as provided herein. The Debtors’ right to use Cash Collateral shall terminate automatically on the Maturity Date (as defined in the DIP Credit Agreement). In addition, if the Borrower voluntarily terminates the Commitment prior to the Maturity Date, the Debtors shall, for the benefit of the Pre-

Petition First Lien Lenders, continue to comply with the requirements of Articles 6 and 7 of the DIP Credit Agreement and, upon any failure by the Debtors to observe any such requirement or upon the occurrence of any event that would have constituted an Event of Default under the DIP Credit Agreement prior to the termination of the Commitments in their entirety, the Pre-Petition First Lien Agent on behalf of the Pre-Petition First Lien Lenders shall have the immediate right unilaterally to terminate the Debtors' right to use Cash Collateral, subject to giving seven days' prior written notice to the Debtors (with a copy to counsel to the Creditors' Committee, counsel to the Pre-Petition Second Lien Agent and to the U.S. Trustee), it being understood that all parties reserve all rights to challenge such termination and/or seek the continued use of Cash Collateral under the same, similar or different terms as the Court shall determine at such time.

15. *Pre-Petition First Lien Lenders' and Pre-Petition First Lien Agent's Adequate Protection.* The Pre-Petition First Lien Lenders and Pre-Petition First Lien Agent are entitled, pursuant to sections 361, 363(e) and 364(d)(1) of the Bankruptcy Code, to adequate protection of their interest in the Pre-Petition Collateral, including the Cash Collateral, for and equal in amount to the aggregate diminution in the value of the Pre-Petition First Lien Lenders' and Pre-Petition First Lien Agent's interests in the Pre-Petition Collateral, including, without limitation, any such diminution resulting from the sale, lease or use by the Debtors (or other decline in value) of Cash Collateral and any other Pre-Petition Collateral, the priming of the Pre-Petition First Lien Lenders' and the Pre-Petition First Lien Agent's security interests and liens in the Pre-Petition Collateral by the DIP Agent and the DIP Lenders pursuant to the DIP Documents, the Interim Order and this Final Order, and the imposition of the automatic stay pursuant to section 362 of

the Bankruptcy Code. As adequate protection, the Pre-Petition First Lien Agent and the Pre-Petition First Lien Lenders are hereby granted the following (collectively, the “**Senior Adequate Protection Obligations**”):

(a) Senior Adequate Protection Liens. To secure any Senior Adequate Protection Obligations, the Pre-Petition First Lien Agent (for itself and for the benefit of the Pre-Petition First Lien Lenders) was by the Interim Order and hereby is granted (effective and perfected upon the date of entry of the Interim Order, without the necessity of the execution by the Debtors of mortgages, security agreements, pledge agreements, financing statements or other agreements and notwithstanding any federal, state, local or other laws, rules or regulations purporting to impose any notice, filing, due diligence or other requirement with respect to the granting or perfecting of such liens), pursuant to sections 361, 363(e) and 364(d)(1) of the Bankruptcy Code, a replacement security interest in and lien upon all the Collateral, subject and subordinate only to (i) the DIP Liens and any liens on the Collateral to which such liens so granted to the DIP Agent are junior and (ii) the Carve-Out (such liens, the “**Senior Adequate Protection Liens**”).

Without limiting the generality of the foregoing, (A) the Senior Adequate Protection Liens granted to the Pre-Petition First Lien Agent and the Pre-Petition First Lien Lenders hereunder shall be senior to all Junior Adequate Protection Liens upon and in the Collateral; (B) until such time as all of the DIP Obligations are indefeasibly paid in full in cash in accordance with the DIP Documents and this Final Order, the Pre-Petition First Lien Agent and the Pre-Petition First Lien Lenders shall have no right to seek or exercise any enforcement rights or remedies in connection with the Senior Adequate Protection Liens, including, without limitation, in respect of the occurrence or continuance of any

Event of Default (as defined in the First Lien Credit Agreement); (C) the Pre-Petition First Lien Agent and the Pre-Petition First Lien Lenders shall be deemed to have consented to the Financing (which Financing shall constitute a DIP Financing as defined in the intercreditor agreement dated as of March 26, 2009 by and between BofA as collateral agent under the First Lien Credit Agreement and the Pre-Petition Second Lien Agent as collateral agent under the Second Lien Credit Agreement (the “**Intercreditor Agreement**”)); (D) the Pre-Petition First Lien Lenders shall be deemed to have consented to any sale or disposition of Collateral approved by, or arranged for or by, the Pre-Petition First Lien Agent at the direction of the Required Lenders (as defined in the Pre-Petition First Lien Facility) and shall terminate and release, upon any such sale or disposition, all of their liens on and security interests in such Collateral; and (E) the Pre-Petition First Lien Agent and the Pre-Petition First Lien Lenders shall deliver or cause to be delivered, at the Debtors’ costs and expense (for which the Pre-Petition First Lien Agent and the Pre-Petition First Lien Lenders shall be reimbursed upon submission to the Debtors of invoices or billing statements), any termination statements, releases or other documents necessary to effectuate and/or evidence the release and termination of the Pre-Petition First Lien Agent’s and the Pre-Petition First Lien Lenders’ liens on or security interests in any portion of the Collateral subject to any sale or disposition approved or arranged for by the DIP Agent.

(b) Section 507(b) Claim. The Pre-Petition First Lien Agent and the Pre-Petition First Lien Lenders were by the Interim Order and hereby are granted, subject to the Carve-Out, a superpriority claim as provided for in section 507(b) of the Bankruptcy Code, immediately junior to the claims under section 364(c)(1) of the

Bankruptcy Code held by the DIP Agent and the DIP Lenders; *provided, however*, that the Pre-Petition First Lien Agent and the Pre-Petition First Lien Lenders shall not receive or retain any payments, property or other amounts in respect of the superpriority claims under section 507(b) of the Bankruptcy Code granted hereunder or under the Pre-Petition First Lien Facility, unless and until the DIP Obligations have indefeasibly been paid in cash in full.

(c) Interest, Fees and Expenses. The Pre-Petition First Lien Agent, for itself or for the benefit of the First Lien Lenders, shall receive from the Debtors (i) immediate cash payment of all accrued and unpaid interest on the Pre-Petition First Lien Debt and letter of credit fees at the contractual default rates provided for in the Pre-Petition First Lien Facility, and all other accrued and unpaid fees and disbursements (including, but not limited to, fees owing to the Pre-Petition Lien Agent, letter of credit fees owing to any of the First Lien Lenders and the reasonable fees and disbursements of counsel, financial and other consultants for the Pre-Petition First Lien Agent) owing to the Pre-Petition First Lien Agent or the First Lien Lenders under the Pre-Petition First Lien Facility and incurred prior to the Petition Date; (ii) current cash payments of all fees and expenses payable to the Pre-Petition First Lien Agent or the First Lien Lenders under the terms of the Pre-Petition First Lien Facility (including, but not limited to, fees owing to the Pre-Petition First Lien Agent or any of the First Lien Lenders and the reasonable fees and disbursements of counsel and one financial advisor for the Pre-Petition First Lien Agent) promptly upon receipt of invoices therefor, *provided, however*, for the avoidance of doubt, that the Debtors shall compensate Conway Del Genio Gries & Co., LLC (“**CDG**”) as the financial advisor for the Pre-Petition First Lien Agent in the

amounts set forth in the engagement letter dated December 22, 2010 (as supplemented on April 1, 2011) between CDG and Davis Polk & Wardwell LLP; and (iii) on the first business day of each month, all accrued but unpaid interest on the Pre-Petition First Lien Debt and letters of credit and other fees at the contractual default rate applicable on the Petition Date (including LIBOR pricing options available in accordance with the Pre-Petition First Lien Facility) under the Pre-Petition First Lien Facility. Notwithstanding anything to the contrary herein, the Creditors' Committee shall have the right to seek to recharacterize any interest, fee or expense payments made pursuant to this paragraph (c) as principal payments if the liens of the First Lien Lenders are successfully challenged and invalidated.

(d) Information. The Debtors shall provide the Pre-Petition First Lien Agent with any written financial information or periodic reporting that is provided to, or required to be provided to, the DIP Agent or the DIP Lenders.

(e) Payment from Proceeds of Disposition of Collateral. Subject to the Carve-Out and the provisions of paragraph 11 above, if all DIP Obligations shall have been indefeasibly paid in full and all Commitments terminated in their entirety, then the proceeds from sales of the Collateral shall be used to repay the Senior Adequate Protection Obligations and the proceeds from sales of the Pre-Petition Collateral shall be used to repay the Pre-Petition First Lien Debt. Subject to the Carve-Out, if all DIP Obligations shall have been indefeasibly paid in full, all Commitments terminated in their entirety and all of the Senior Adequate Protection Obligations and the Pre-Petition First Lien Debt have been indefeasibly paid in full, then the proceeds from sales of the Pre-Petition Collateral shall be used to repay the Pre-Petition Second Lien Debt, subject to

any order or judgment that may have been entered in connection with any action for preferences, fraudulent conveyances, other avoidance power claims or any other claims, counterclaims or causes of action, objections, contests or defenses in respect of the Pre-Petition Second Lien Debt.

(f) Successor Collateral Agent.

(i) Pursuant to that certain Successor First Lien Agent Agreement dated as of April 1, 2011, by and among the Borrower, Holdings, certain other Debtors, CFS, BofA and certain Pre-Petition First Lien Lenders (the “**Successor Agreement**”), CFS succeeded BofA as the Collateral Agent (as defined in the First Lien Credit Agreement) as of the Collateral Agency Effective Date (as defined in the Successor Agreement).

(ii) BofA was by the Interim Order and hereby is authorized and directed to assign to CFS pursuant to section 2(b) of the Successor Agreement, upon the Collateral Agency Effective Date, each of the Pre-Petition First Lien Lenders’ liens and security interests granted to BofA under the Pre-Petition First Lien Documents, and CFS was by the Interim Order and hereby is authorized and directed to assume all such liens, for its benefit and for the ratable benefit of all other secured parties, including the Pre-Petition First Lien Lenders, under the Pre-Petition First Lien Documents. Such assignment and transfer shall have no effect on the validity, priority and perfection of such liens and security interests.

(iii) Subject to the terms of the Pre-Petition First Lien

Documents, pursuant to sections 362(b)(3) and 546(e)(2) of the Bankruptcy Code, and without further order of this Court or action by the Debtors (except as may be required pursuant to the Successor Agreement), CFS was by the Interim Order and hereby is authorized and directed to take all steps that it believes to be necessary or appropriate to maintain the perfection of the Pre-Petition First Lien Lenders' interests in and liens on the Collateral, including without limitation, by (A) filing or recording financing statements, trademark filings, copyright filings, mortgages, notices of lien or similar instruments in any jurisdiction; (B) entering into deposit account control agreements with the Debtors' depository bank(s) (or assignment thereof); and (C) taking possession of or control over any of the Collateral.

16. *Pre-Petition Second Lien Lenders' and Pre-Petition Second Lien Agent's Adequate Protection.* The Pre-Petition Second Lien Lenders and the Pre-Petition Second Lien Agent are entitled pursuant to sections 361 and 363(e) of the Bankruptcy Code, to adequate protection of their interests (if any) in the Pre-Petition Collateral, for and equal in amount to the aggregate diminution in value (if any) of the Pre-Petition Second Lien Lenders' and the Pre-Petition Second Lien Agent's interests in the Pre-Petition Collateral, including, without limitation, any such diminution resulting from the sale, lease or use by the Debtors (or other decline in value) of the Pre-Petition Collateral, the priming pursuant to the DIP Documents and this Final Order of the Pre-Petition Second Lien Lenders' and the Pre-Petition Second Lien Agent's security interests and liens in the Pre-Petition

Collateral by the DIP Agent, the Pre-Petition First Lien Agent, the DIP Lenders and the Pre-Petition First Lien Lenders, and the imposition of the automatic stay pursuant to section 362 of the Bankruptcy Code (collectively, the “**Junior Adequate Protection Obligations**” and together with the Senior Adequate Protection Obligations, the “**Adequate Protection Obligations**”). To secure any Junior Adequate Protection Obligations, the Pre-Petition Second Lien Lenders and the Pre-Petition Second Lien Agent are granted valid, binding, continuing, enforceable, fully-perfected junior security interests in and liens upon all of the Collateral (collectively, the “**Junior Adequate Protection Liens**” and together with the Senior Adequate Protection Liens, the “**Adequate Protection Liens**”). Without limiting the generality of the foregoing, (i) the Junior Adequate Protection Liens granted to the Pre-Petition Second Lien Lenders and the Pre-Petition Second Lien Agent hereunder shall be junior and subordinate in all respects to the Pre-Petition First Lien Lenders’ liens and security interests (including, without limitation, the Pre-Petition First Liens and the Senior Adequate Protection Liens) upon and in the Collateral and the Carve-Out; (ii) the Junior Adequate Protection Liens shall be junior and subordinate in right of payment to all Senior Adequate Protection Obligations and the Carve-Out; (iii) until such time as all of the DIP Obligations and Senior Adequate Protection Obligations are indefeasibly paid in full in cash in accordance with the DIP Documents, the Pre-Petition First Lien Documents and this Final Order, the Pre-Petition Second Lien Lenders and the Pre-Petition Second Lien Agent shall have no right to seek or exercise any enforcement rights or remedies in connection with the Junior Adequate Protection Liens, including, without limitation, in respect of the occurrence or continuance of any Event of Default (as defined in the

Second Lien Credit Agreement); (iv) the Pre-Petition Second Lien Lenders and the Pre-Petition Second Lien Agent shall be deemed to have consented to any sale or disposition of Collateral approved by, or arranged for or by, the Pre-Petition First Lien Agent, and shall terminate and release upon any such sale or disposition all of its liens on and security interests in such Collateral, with all valid liens on and security interests in such Collateral to attach to the proceeds of such Collateral to the extent of the applicable party's interest in such Collateral, without alteration of the relative lien priority in respect of such Collateral; and (v) the Pre-Petition Second Lien Lenders and the Pre-Petition Second Lien Agent shall deliver or cause to be delivered, at the Debtors' costs and expense (for which the Pre-Petition Second Lien Lenders and the Pre-Petition Second Lien Agent shall be reimbursed promptly upon submission to the Debtors of invoices or billing statements[, and which reimbursement amount shall constitute an administrative expense of the Debtors' estates]), any termination statements, releases or other documents necessary to effectuate and/or evidence the release and termination of the Pre-Petition Second Lien Lenders' and the Pre-Petition Second Lien Agent's security interests in or liens on any portion of the Collateral subject to any sale or disposition approved or arranged for by the Pre-Petition First Lien Agent [*provided that* all payment by the Debtors pursuant to this clause 16(v) shall be subject to recharacterization or disgorgement upon (x) invalidation or recharacterization as equity of the Second Lien Lenders' claims or (y) any other successful challenge asserting or prosecuting any action for preferences, fraudulent conveyances, other avoidance power claims or any other claims, counterclaims or causes of action, objections, contests or defenses]. Pursuant to sections 6.01 and 6.02 of the Intercreditor Agreement, the Pre-Petition Second Lien

Lenders and the Pre-Petition Second Lien Agent are deemed to have consented to the adequate protection set forth herein. The Debtors shall provide the Pre-Petition Second Lien Lenders and the Pre-Petition Second Lien Agent with any written financial information or periodic reporting that is provided to, or required to be provided to, the Pre-Petition First Lien Agent, the DIP Agent or the DIP Lenders.

17. *Funding of Carve-Out Account.* Notwithstanding anything to the contrary herein, following (i) delivery of a Carve-Out Notice or (ii) upon the date when all DIP Obligations have been indefeasibly paid in full and all Commitments terminated in their entirety, and prior to any further payment to any Pre-Petition Agent or to any Pre-Petition Lender, the Carve-Out Account shall have been fully funded.

18. *Reservation of Rights of Pre-Petition First Lien Lenders.* Under the circumstances, and given that the above-described adequate protection is consistent with the Bankruptcy Code, including section 506(b) thereof, the Court finds that the adequate protection provided herein is reasonable and sufficient to protect the interests of the Pre-Petition Lenders; provided that the Pre-Petition First Lien Agent and the Pre-Petition First Lien Lenders may request further or different adequate protection, and the Debtors or any other party may contest any such request. Except as expressly provided herein, nothing contained in this Final Order (including, without limitation, the authorization of the use of any Cash Collateral) shall impair or modify any rights, claims or defenses available in law or equity to the Pre-Petition First Lien Agent, any Pre-Petition First Lien Lender, the DIP Agent or any DIP Lender, including, without limitation, rights of a party to a swap agreement, securities contract, commodity contract, forward contract or

repurchase agreement, if any, with a Debtor to assert rights of setoff or other rights with respect thereto as permitted by law (or the right of a Debtor to contest such assertion).

19. *Perfection of DIP Liens and Adequate Protection Liens.*

(a) Subject to the provisions of paragraph 11(a) above, the DIP Agent, the DIP Lenders, the Pre-Petition Agents and the Pre-Petition Lenders are hereby authorized, but not required, to file or record financing statements, trademark filings, copyright filings, mortgages, notices of lien or similar instruments in any jurisdiction, or take possession of or control over, or take any other action in order to validate and perfect, the liens and security interests granted to them hereunder. Whether or not the DIP Agent or the Pre-Petition Agents on behalf of their respective lenders shall, in their sole discretion (subject to the provisions of paragraph 11(a) above), choose to file such financing statements, trademark filings, copyright filings, mortgages, notices of lien or similar instruments, or take possession of or control over, or otherwise confirm perfection of, the liens and security interests granted to them hereunder, such liens and security interests shall be deemed valid, perfected, allowed, enforceable, non-avoidable and not subject to challenge, dispute or subordination, at the time and on the date of entry of the Interim Order. Upon the request of the DIP Agent, the Pre-Petition Agents and the Pre-Petition Lenders, without any further consent of any party, are authorized to take, execute, deliver and file such instruments (in each case without representation or warranty of any kind) to enable the DIP Agent to further validate, perfect, preserve and enforce any DIP Liens.

(b) A certified copy of this Final Order may, in the discretion of the DIP Agent, be filed with or recorded in filing or recording offices in addition to or in lieu

of such financing statements, mortgages, notices of lien or similar instruments, and all filing offices are hereby authorized to accept such certified copy of this Final Order for filing and recording.

(c) Subject to the provisions of paragraph 20 hereof, any provision of any lease (excluding nonresidential real property leases listed on Schedule A hereto) or other license, contract or other agreement that requires (i) the consent or approval of one or more landlords or other parties or (ii) the payment of any fees or obligations to any governmental entity, in order for any Debtor to pledge, grant, sell, assign, or otherwise transfer any such leasehold interest, or the proceeds thereof, or other post-petition collateral related thereto, is hereby deemed to be inconsistent with the applicable provisions of the Bankruptcy Code. Any such provision shall have no force and effect with respect to the transactions granting post-petition liens in such leasehold interest or the proceeds of any assignment and/or sale thereof by any Debtor, in favor of the DIP Lenders in accordance with the terms of the DIP Documents or this Final Order.

20. *Lease Designation Rights and Use and Occupancy of Leaseholds.*

(a) Without limiting any of the rights or remedies of the DIP Agent, the DIP Lenders, the Pre-Petition Agents or the Pre-Petition Lenders set forth paragraph 21 below, otherwise herein or in any of the DIP Documents (including, without limitation, all rights afforded under applicable state law), the applicable agent, in its sole discretion, shall have the right upon or after the acceleration of the DIP Obligations or the Adequate Protection Obligations, respectively, to demand that any Debtor immediately file and diligently pursue, and prosecute any motion or other appropriate pleading with this Court seeking the assumption and assignment of a lease to the applicable agent or its

designee. If such demand is made by the applicable agent, the Debtors shall (i) not seek to reject or otherwise terminate such lease, (ii) immediately withdraw any previously filed rejection motion or termination notice with respect to such lease and (iii) file, within one business day (or such longer period as may be agreed to by the applicable agent in its reasonable discretion, a motion seeking expedited relief and a court hearing within seven days (or such longer period or with any adjournments as requested by the applicable agent in its reasonable discretion) of such demand for the purpose of assuming such lease and assigning it to the applicable agent or its designee. Such assignment shall be on terms and conditions as are acceptable to the applicable agent and subject to (i) higher and better offers to the extent required under section 363 of the Bankruptcy Code and (ii) the affected lessor's rights under the applicable lease(s) (to the extent such rights are enforceable or effective under section 365 of the Bankruptcy Code) and the Bankruptcy Code. The Debtors (or the applicable agent as the Debtors' true and lawful agent and attorney-in-fact pursuant to the DIP Documents or the Pre-Petition First Lien Facility, as appropriate) are authorized and directed to execute and deliver such agreements, documents and instruments as the applicable agent may request to effectuate the foregoing.

(b) Upon the exercise of remedies following an Event of Default, the DIP Agent or its designee (or the Pre-Petition First Lien Agent or its designee, if the Financing has been fully and indefeasibly repaid and the DIP Commitments terminated) may enter upon, use or occupy any demised premises subject to an expired or unexpired lease of nonresidential real property; *provided* that, with respect to the Debtors' nonresidential real property leaseholds and/or subleaseholds listed on Schedule A hereto,

such parties shall not, prior to any assumption and assignment of a lease under section 365 of the Bankruptcy Code, use or occupy any such premises then leased by the Debtors other than: (i) in a manner consistent with the existing rights of the DIP Agent, the DIP Lenders, the Pre-Petition First Lien Agent, the Pre-Petition First Lien Lenders and landlords under applicable non-bankruptcy law; (ii) pursuant to written agreement with any applicable landlord specifying the use and occupancy rights to which such landlord agrees; or (iii) as provided for in a further order of the Bankruptcy Court on motion and notice appropriate under the circumstances providing such landlords opportunity to object and be heard solely with respect to the appropriate terms and conditions of such use and occupancy, including, but not limited to, all issues arising under section 365 of the Bankruptcy Code related to assumption and assignment of leases and use and occupancy of the leaseholds.

(c) Notwithstanding anything to the contrary in the foregoing or otherwise herein, the provisions of this Final Order shall not (1) render any contract or lease unable to be assumed and/or assigned by any Debtor (or by the applicable agent, as the Debtors' true and lawful agent and attorney-in-fact pursuant to the DIP Documents or the Pre-Petition First Lien Facility, as appropriate) or (2) impair or limit the ability or right of (A) any Debtor (or the applicable agent, as the Debtors' true and lawful agent and attorney-in-fact pursuant to the DIP Documents or the Pre-Petition First Lien Facility, as appropriate) to assume and/or assign any contract or lease or (B) any lessor to object to such relief on any grounds, including, but not limited to, section 365(b)(3) or 1123 of the Bankruptcy Code.

21. *Preservation of Rights Granted Under this Final Order.*

(a) Except as otherwise provided for herein, no claim or lien having a priority superior to or *pari passu* with those granted by the Interim Order or this Final Order to any of (i) the DIP Agent and the DIP Lenders or (ii) the Pre-Petition First Lien Agent and the Pre-Petition First Lien Lenders shall be granted or allowed while any portion of the Financing (or any refinancing thereof) or the Commitments thereunder or the DIP Obligations or the Senior Adequate Protection Obligations remain outstanding, and the DIP Liens and the Senior Adequate Protection Liens shall not be (i) subject or junior to any lien or security interest that is avoided and preserved for the benefit of the Debtors' estates under section 551 of the Bankruptcy Code or (ii) subordinated to or made *pari passu* with any other lien or security interest, whether under section 364(d) of the Bankruptcy Code or otherwise.

(b) Unless all DIP Obligations shall have been indefeasibly paid in full and the Senior Adequate Protection Obligations shall have been paid in full, the Debtors shall not seek, and it shall constitute an Event of Default and shall terminate the right of the Debtors to use Cash Collateral if any of the Debtors seeks, or if there is entered, (i) any modifications or extensions of this Final Order without the prior written consent of the DIP Agent (to the extent that the any DIP Obligations have not been indefeasibly paid in full or any Commitments have not been terminated in their entirety) and of the Pre-Petition First Lien Agent, and no such consent shall be implied by any other action, inaction or acquiescence by the DIP Agent and the Pre-Petition First Lien Agent or (ii) an order converting or dismissing any of the Cases. If an order dismissing any of the Cases under section 1112 of the Bankruptcy Code or otherwise is at any time entered, such

order shall provide (in accordance with sections 105 and 349 of the Bankruptcy Code) that (i) the Superpriority Claims, priming liens, security interests and replacement security interests granted to the DIP Agent and the DIP Lenders and, as applicable, the Pre-Petition Agents and the Pre-Petition Lenders pursuant to the Interim Order and this Final Order shall continue in full force and effect and shall maintain their priorities as provided in the Interim Order and this Final Order until all DIP Obligations and Adequate Protection Obligations shall have been paid and satisfied in full (and that such Superpriority Claims, priming liens and replacement security interests shall, notwithstanding such dismissal, remain binding on all parties in interest) and (ii) this Court shall retain jurisdiction, notwithstanding such dismissal, for the purposes of enforcing the claims, liens and security interests referred to in (i) above.

(c) If any or all of the provisions of this Final Order are hereafter reversed, modified, vacated or stayed, such reversal, stay, modification or vacation shall not affect (i) the validity of any DIP Obligations, Senior Adequate Protection Obligations or Junior Adequate Protection Obligations incurred prior to the actual receipt of written notice by the DIP Agent or the Pre-Petition First Lien Agent, as applicable, of the effective date of such reversal, stay, modification or vacation or (ii) the validity or enforceability of any lien or priority authorized or created hereby or pursuant to the DIP Documents (unless inconsistent with the terms hereof) with respect to any DIP Obligations, Senior Adequate Protection Obligations or Junior Adequate Protection Obligations. Notwithstanding any such reversal, stay, modification or vacation, any use of Cash Collateral, or DIP Obligations, Senior Adequate Protection Obligations or Junior Adequate Protection Obligations incurred by the Debtors to the DIP Agent, the DIP

Lenders, the Pre-Petition First Lien Agent, the Pre-Petition First Lien Lenders, the Pre-Petition Second Lien Agent or the Pre-Petition Second Lien Lenders, as applicable, prior to the actual receipt of written notice by the DIP Agent and the Pre-Petition First Lien Agent of the effective date of such reversal, stay, modification or vacation shall be governed in all respects by the original provisions of this Final Order, and the DIP Agent and the DIP Lenders, as applicable, shall be entitled to all the rights, remedies, privileges and benefits granted in section 364(e) of the Bankruptcy Code, this Final Order and pursuant to the DIP Documents with respect to all uses of Cash Collateral and DIP Obligations.

(d) Except as expressly provided in this Final Order or in the DIP Documents, the DIP Liens, the Superpriority Claims and all other rights and remedies of the DIP Agent and the DIP Lenders granted by the provisions of this Final Order and the DIP Documents shall survive, and shall not be modified, impaired or discharged by (i) the entry of an order converting any of the Cases to a case under chapter 7, dismissing any of the Cases, terminating the joint administration of these Cases or by any other act or omission, (ii) the entry of an order approving the sale of any Collateral pursuant to section 363(b) of the Bankruptcy Code (except to the extent permitted by the DIP Documents) or (iii) the entry of an order confirming a plan of reorganization in any of the Cases and, pursuant to section 1141(d)(4) of the Bankruptcy Code, the Debtors have waived any discharge as to any remaining DIP Obligations. The terms and provisions of this Final Order and the DIP Documents shall continue in these Cases, in any successor cases if these Cases cease to be jointly administered, or in any superseding chapter 7 cases under the Bankruptcy Code, and the DIP Liens, the Superpriority Claims and all

other rights and remedies of the DIP Agent and the DIP Lenders granted by the provisions of this Final Order and the DIP Documents (including to act as any Debtor's true and lawful agent and attorney-in-fact pursuant to the DIP Documents) shall continue in full force and effect until the DIP Obligations are indefeasibly paid in full.

22. *Effect of Stipulations on Third Parties.* The stipulations and admissions contained in paragraph 6 of this Final Order, shall be binding upon the Debtors and any successor thereto (including, without limitation, any chapter 7 or chapter 11 trustee appointed or elected for any of the Debtors) in all circumstances. The stipulations and admissions contained in paragraph 6 of this Final Order shall be binding upon all other parties in interest, including, without limitation, any official committee, unless (a) a party in interest has timely filed an adversary proceeding or contested matter (subject to the limitations contained herein, including, *inter alia*, in paragraph 23) by no later than the date that is the later of (a) the date of the first hearing to consider a Disclosure Statement Order (as defined below) and (b) 75 days from the date of entry of this Final Order (or such later date (x) as has been agreed to, in writing, by the Pre-Petition First Lien Agent in its sole discretion or (y) as has been ordered by the Court), (i) challenging the validity, enforceability, priority or extent of the Pre-Petition First Lien Debt or the Pre-Petition First Lien Agent's or the Pre-Petition First Lien Lenders' liens on the Pre-Petition Collateral or (ii) otherwise asserting or prosecuting any action for preferences, fraudulent conveyances, other avoidance power claims or any other claims, counterclaims or causes of action, objections, contests or defenses (collectively, "**Claims and Defenses**") against the Pre-Petition First Lien Agent or any of the Pre-Petition First Lien Lenders or their affiliates, representatives, attorneys or advisors in connection with matters related to the

Pre-Petition First Lien Facility, the Pre-Petition First Lien Debt, the Pre-Petition Collateral, and (b) there is a final order in favor of the plaintiff sustaining any such challenge or claim in any such timely filed adversary proceeding or contested matter; *provided* that, as to the Debtors, all such Claims and Defenses are hereby irrevocably waived and relinquished as of the Petition Date. If no such adversary proceeding or contested matter is timely filed, (x) to the extent not theretofore repaid, the Pre-Petition First Lien Debt and all related obligations of the Debtors (the “**Pre-Petition First Lien Obligations**”) shall constitute allowed claims, not subject to counterclaim, setoff, subordination, recharacterization, defense or avoidance, for all purposes in the Cases and any subsequent chapter 7 cases and (y) the Pre-Petition First Lien Agent’s liens and the Pre-Petition First Lien Lenders’ liens (including the Senior Adequate Protection Liens), shall be deemed to have been, as of the Petition Date, legal, valid, binding and perfected, not subject to recharacterization, subordination or avoidance, and such liens shall not be subject to any other or further challenge by any party in interest seeking to exercise the rights of the Debtors’ estates, including, without limitation, any successor thereto (including, without limitation, any chapter 7 or 11 trustee appointed or elected for any of the Debtors). If any such adversary proceeding or contested matter is timely filed, the stipulations and admissions contained in paragraph 6 of this Final Order shall nonetheless remain binding and preclusive (as provided in the second sentence of this paragraph) on any official committee (including the Creditors’ Committee) and on any other person or entity, except to the extent that such findings and admissions were expressly challenged in such adversary proceeding or contested matter. Nothing in this Final Order vests or confers on any Person (as defined in the Bankruptcy Code), including any official

committee, standing or authority to pursue any cause of action belonging to the Debtors or their estates, including, without limitation, Claims and Defenses with respect to the Pre-Petition First Lien Facilities or the Pre-Petition First Lien Obligations *provided* that the Creditors' Committee shall have the right to request such standing and authority on an expedited basis, with notice to the Debtors and the Pre-Petition Agents as is appropriate under the circumstances. For the avoidance of doubt, this Final Order does not limit in any way any party's ability to bring any claim or action of any kind with respect to the Pre-Petition Second Lien Debt, the Pre-Petition Second Lien Agent or the Pre-Petition Second Lien Lenders or their affiliates, representatives, attorneys or advisors.

23. *Limitation on Use of Financing Proceeds and Collateral.*

(a) Notwithstanding anything herein or in any other order by this Court to the contrary, no borrowings, Cash Collateral, Collateral or the Carve-Out may be used to (i) object or contest, or raise any defense to, the validity, perfection, priority, extent or enforceability of any amount due under the DIP Documents or the Pre-Petition First Lien Facility, or the liens or claims granted under the Interim Order or this Final Order, the DIP Documents or the Pre-Petition First Lien Facility, (ii) assert any Claims and Defenses or causes of action against the DIP Agent, the DIP Lenders, the Pre-Petition First Lien Agent or the Pre-Petition First Lien Lenders or their respective agents, affiliates, representatives, attorneys or advisors, (iii) prevent, hinder or otherwise delay the DIP Agent's assertion, enforcement or realization on the Cash Collateral or the Collateral in accordance with the DIP Documents, the Interim Order or this Final Order, (iv) seek to modify any of the rights granted to the DIP Agent, the DIP Lenders, the Pre-Petition First Lien Agent or the Pre-Petition First Lien Lenders hereunder or under the

DIP Documents or the Pre-Petition First Lien Facility, in each of the foregoing cases without such parties' prior written consent or (v) pay any amount on account of any claims arising prior to the Petition Date unless such payments are (A) approved by an order of this Court and (B) in accordance with the DIP Credit Agreement; *provided, however*, that in the case of clauses (i) and (ii) above, such limitations shall not apply to any investigation by an official committee to the extent that such amounts for all official committees in the aggregate do not exceed \$150,000.

24. *Milestone Defaults.* The occurrence of any of the following (collectively, the “**Milestone Defaults**”) shall be an Event of Default under the DIP Documents:

(a) Acceptable Reorganization Plan. Within 90 days after the Petition Date (or such later date as agreed to by the Required Lenders (as defined in the DIP Facility, the “**Required DIP Lenders**”)), a plan of reorganization (an “**Acceptable Plan of Reorganization**”) that provides for payment of all administrative claims, including without limitation the DIP Obligations shall not have been filed with the Court.

(b) Disclosure Statement Order. Within 120 days after the Petition Date (or such later day as agreed to by the Required DIP Lenders), the Court shall not have entered an order approving the adequacy of a disclosure statement (the “**Disclosure Statement Order**”) for an Acceptable Plan of Reorganization.

(c) Confirmation Order. Within 170 days after the Petition Date (or such later day as agreed to by the Required DIP Lenders), the Court shall not have entered an order (the “**Confirmation Order**”) confirming an Acceptable Plan of Reorganization.

(d) Consummation. Within 180 days after the Petition Date (or, if earlier, within 30 days following the date of entry of the Confirmation Order), an Acceptable Plan of Reorganization shall not have been substantially consummated pursuant to section 1101(2) of the Bankruptcy Code.

25. *Final Order Governs*. In the event of any inconsistency between the provisions of this Final Order, the DIP Documents, the Pre-Petition Facilities and Intercreditor Agreement, the provisions of this Final Order shall govern.

26. *Binding Effect; Successors and Assigns*. The DIP Documents and the provisions of this Final Order, including all findings herein, shall be binding upon all parties in interest in these Cases, including, without limitation, the DIP Agent, the DIP Lenders, the Pre-Petition Agents, the Pre-Petition Lenders, any official committee appointed in these Cases and the Debtors and their respective successors and assigns (including any chapter 7 or chapter 11 trustee hereinafter appointed or elected for the estate of any of the Debtors) and shall inure to the benefit of the DIP Agent, the DIP Lenders, the Pre-Petition Agents, the Pre-Petition Lenders and the Debtors and their respective successors and assigns; *provided, however*, that the DIP Agent and the DIP Lenders shall have no obligation to extend any financing to any chapter 7 trustee or similar responsible person appointed for the estates of the Debtors.

27. *Notice of Professional Fees*. With respect to professional fees payable by the Debtors pursuant to paragraphs 8(b)(iii) and 15(c) of this Final Order after the date of closing of the Financing, invoices for such fees shall be submitted to the Debtors, the U.S. Trustee and the Creditors' Committee, provided, that none of such fees shall be subject to approval by this Court, the U.S. Trustee or the Creditors' Committee and no

such professional shall be required to file with respect thereto any interim or final fee applications or comply with the U.S. Trustee fee guidelines. To the extent that the U.S. Trustee or the Creditors' Committee has an objection to any of the invoices so provided, they shall have 10 business days after receipt of such invoice to raise a specific objection, including quantification of the disputed amount, with the applicable professional. Payment of invoices shall not be delayed based on any such objections and the relevant professional shall only be required to disgorge any of the amounts objected to upon being "so ordered" to do so pursuant to a final order of this Court.

28. *Information.* The Debtors shall provide the Creditors' Committee with any written financial information and periodic reporting that is provided to, or required to be provided to, the Pre-Petition Agents, the Pre-Petition Lenders, the DIP Agent or the DIP Lenders, substantially simultaneous with the provision of such information to any such party.

29. *Effectiveness.* This Final Order shall constitute findings of fact and conclusions of law and shall take effect and be fully enforceable *nunc pro tunc* to the Petition Date immediately upon entry hereof. Notwithstanding Bankruptcy Rules 4001(a)(3), 6004(h), 6006(d), 7062, or 9024 or any other Bankruptcy Rule, or Rule 62(a) of the Federal Rules of Civil Procedure, this Final Order shall be immediately effective and enforceable upon its entry and there shall be no stay of execution or effectiveness of this Final Order.

Bankruptcy Code and in express reliance upon the protections offered by section 364(e) of the Bankruptcy Code, and shall be entitled to the full protection of section 364(e) of the Bankruptcy Code **with respect to the Financing** in the event that this ~~Interim~~**Final** Order or any provision hereof is vacated, reversed or modified, on appeal or otherwise.

(iv) the performance of all other acts required under or in connection with the DIP Documents **and consistent with the terms of this Final Order**.

(c) Upon execution and delivery of the DIP Documents, the DIP Documents ~~shall constitute~~ **constituted** valid and binding obligations of the Debtors, enforceable against each Debtor party thereto in accordance with their terms **and this Final Order**. No obligation, payment, transfer or grant of security under the DIP Documents or this ~~Interim~~ **Final** Order shall be stayed, restrained, voidable, or recoverable under the Bankruptcy Code or under any applicable law (including, without limitation, under section 502(d) of the Bankruptcy Code), or subject to any defense, reduction, setoff, recoupment or counterclaim, **except as otherwise provided in this Final Order**.

(d) The Pre-Prepetition Second Lien Agent and the Pre-Petition Second Lien Lenders are deemed to have consented to the Debtors' execution of the DIP Documents and the DIP Facility provided thereunder pursuant to section 6.1(a) of the Intercreditor Agreement **(as defined below)**.

9. ~~6.~~ *Superpriority Claims.*
